Educo is a global development and humanitarian NGO based in Barcelona, Spain with over 30-year experience working in 14 countries. We work with and for children and their communities to promote just and equitable society that can secure their rights and wellbeing. We envision a world where all children fully enjoy their rights and lead a life with dignity. We are a member of ChildFund Alliance, one of the largest global networks of child-focused development organisations working to create opportunities for children and youth, their families, and communities.

Since 1999, we have been implementing development programmes across Bangladesh in the marginalised urban and rural areas and with time we expanded our works to broader thematic and geographical areas.

In 2021, We have implemented 05 external funded and 11 internal funded projects in 12 districts of the country with the support of 14 implementing partners.
